PROFESSIONAL EXPERIENCE

Operations Associate | iMile Delivery

Riyadh, Saudi Arabia | Jan 2025 – Present

- Manage daily reverse logistics operations at a high-volume returns centre, handling shipments for major carriers including Naqel, JD Logistics, SPL, and J&T; Express
- Conduct quality control (QC) inspections on all incoming shipments, ensuring accuracy and condition compliance before processing returns to suppliers
- Track and record shipment data, inventory levels, and return volumes using Excel, maintaining up-to-date records for operational reporting
- Coordinate cross-functional communication between logistics partners and internal teams to resolve discrepancies and ensure smooth reverse centre operations

Business Development Lead | DigiCookie Ltd.

Remote — Dorset, United Kingdom | Oct 2024 – Dec 2024

- Generated \$10,000+ in new business revenue in under 5 months through data-driven LinkedIn and email outreach campaigns
- Analyzed customer engagement metrics and conversion funnels, improving lead-to-client conversion rates by 35%
- Reduced operational costs by 20% by identifying and eliminating inefficiencies through data analysis
- Scheduled 50+ qualified prospect meetings using LinkedIn Sales Navigator with targeted data segmentation
- Integrated and analyzed data from CRM platforms, social media, and web analytics to build high-value prospect pipelines

Reporting Analyst & E-Commerce Manager | BARYAL.PK

Peshawar, Pakistan | Dec 2023 – Sep 2024

- Designed and automated executive sales dashboards in Power BI, Tableau, and Excel, cutting reporting time by 60%
- Performed sales trend analysis across 10,000+ orders, identifying high-margin products and optimizing inventory strategy
- Managed Meta Ads campaigns that directly generated PKR 6,000,000 in verified e-commerce sales
- Conducted customer segmentation analysis to identify high-LTV groups, increasing targeted marketing ROI by 25%
- Produced automated weekly stakeholder reports covering sales, marketing performance, and business health metrics
